**“One a Day” Prayer Initiative for HPCA
2011-2012 School Year**

HPCA Prayer Partners,

I hope this prayer update finds all of you well. As you know, each month we have a different memory verse here at H.P.C.A. for our students to learn. Each of our verses throughout the year has reflected the theme of “one body in Christ” and the scripture this month comes from Ephesians 4:11-13. While reading through the prayer requests this month I invite you to remember what spiritual gifts you have been given and to remember the wide variety of gifts that are exemplified by the entire body of Christ supporting H.P.C.A. Verse twelve from this passage is a great reminder of the reason we come together as one body in Christ in an effort to further the work of Christ’s kingdom here in Hunting Park: “to prepare God’s people for works of service, so that the body of Christ may be built up.”

One event through which we will seek to build up the body of Christ this month is through Career Day on February 22nd. We are all praying that this event would be a day during which our students will see the ways in which God directs and provides for those who follow Him. Additionally, we pray that it would be a day that shows our presenters the work that God is doing at H.P.C.A. and be an invitation for them to join with us in support of this mission.

Blessings on you and your family throughout February.

February Prayer Guide

Staff Highlight for February: Barbara Wire

Barbara is our first grade teacher and here are her prayer requests:

- Pray that parents will make time to listen to their student as they practice reading
- Pray that students will begin to recognize related math facts and concepts
- Pray for wisdom in teaching math effectively
- Praise for her student Richard's academic AND spiritual growth. Richard has been doing really well in the classroom lately and has been talking to his mom about what Jesus means in his life.

Praise Report:

I'm happy to share that January has brought many blessings and reasons for praise at H.P.C.A. One of the most encouraging parts of the month came during our report card conferences. We had an overwhelmingly high turnout from parents who wanted to meet and speak with their student's teacher. This has been a complete answer to a continuing prayer that more parents and families would be tangibly involved in the education of their children.

Another major praise is that we received a substantial anonymous donation which will go toward classroom technology development. It is incredibly humbling to have God continually answer the prayers we bring before Him.

Prayer Requests:

Here are some requests for our school. Please use this as a guide, but feel free to pray however you feel led.

Pray for our Students

- To continue to read the Word outside of HPCA and to see how it applies to their lives;
- That Career Day would be a day in which they see how God can direct lives and use people for His purposes. That our students would trust God's sovereignty and leading in their lives as well.
- For relationships to continue to strengthen between them and their teachers this year.

Pray for our Teachers

- That they would be equipped for the mission that God has called them to at HPCA;
- For the continuation of growth in the parent-teacher dialogue for the sake of advancing the education of each student;
- That they would be reminded daily of the calling *and* gifting they have been given by Christ in order to fulfill this task of teaching and sharing the Gospel with their students.

Pray for our students' Parents

- For patience, guidance, and a growing dependence on the Lord as they parent their children;
- For continued provision for parents struggling with finances;
- For the ability and willingness to be invested in their children's education while also balancing work schedules;

Pray for our Administration

- We are approaching a really busy portion of the academic and event calendar at HPCA and encourage prayers for these events such as International Night, Career Day, Race for Education, and numerous parent meetings. We hold these events in hopes that they will be a testimony and invitation to the goodness of Jesus Christ and show that He is the one we are following.

Pray for our General Needs

- That God would continue to direct our Board of Directors in leading our school;
- That the Gospel would continue to be lived out and preached within our walls;
- For growth in our financial donor support; to find new donors to share our mission with; that we would be lead into not only financial support but strong relationships with all donors;
- That HPCA will be a place where Christ continually abides.***

*+ The verse that our students will be memorizing this month and one which many of our staff will be praying through is **Ephesians 4:11-13**:*

"It was he who gave some to be apostles, some to be prophets, some to be evangelists, and some to be pastors and teachers, to prepare God's people for works of service, so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ."
