

Since the October 6th congregational meeting approving the Pastor Search Committee (PSC), the PSC has met four times. The focus of these meetings was to get to know each other better, become familiar with the steps and scope of the pastor search process, review the mission, vision, and values of LPC, begin praying together as a team, and to assign specific roles to individual committee members. An important next step is to meet with members of the Ministerial committee of the Evangelical Presbyterian Church's Presbytery of the East. We are hopeful this meeting will take place soon.

As we embark on this journey together, as a committee and as a congregation, we recognize the necessity of prayer to the accomplishment of our task. Please join us as we pray for sensitivity to God's leading throughout this process, for reliance on the Word rather than our own preferences, for patience and skill to complete the clerical details of our assignment, for unity of mind among committee members and congregation, for growth in Christ-likeness and love for each other, and that the heart of our next pastor is already being prepared for our call.

Members of the Pastor Search Committee: Norma Brown, Chris Casten, Abby Cramer, Jon Currie, Joe Franzi, Jody Luther, Ken McClellan, and Don Reimold
